Dear Mr. Secretary:

This letter is in response to Federal Election Commission's preliminary review of the October 2003 Quarterly Report (7/1/03- 9/30/03) of the Evan Bayh Committee. The review indicated two questions that the Commission wanted the committee to address.

1.)Your report contains incorrect Column B figures for certain line items.

Our committee analyzed all of the reports filed after the November 3, 1998 election including manually searching the post election report for the time period October 15 to November 23, 1998 for those receipts and disbursements dated after November 3rd. Based on this review we have adjusted the column B figures on the attached amended report for October 2003.

2.)Please itemize on Schedule A all receipts on Line 11(a)(i) Column A of the Detailed Summary page.

Our original report indicated on line 11 that we had \$364,743 in individual contributions all of which were itemized. In fact we were only required to itemize \$336,085, which we did. We have amended line 11 to indicate itemized contributions of \$336,085 line 11(a)(i) and unitemized contributions of \$28,658 line 11(a)(ii).

We believe that this letter addresses all of the concerns of the FEC. We look forward to working with them and with you in the future.

Sincerely,

Dennis M. Charles, Treasurer
